

ARGIA and Bulletin of American Odonatology

Author Submission Form

GENERAL INFORMATION

Please list your article's title: _____

Please list authors, their contact information, and a short tagline:

If there has been no change and you would like us to use the tagline we have on file then write "no change" in the box.

Tagline (see [guidelines](#) for examples of a tagline)

Name: _____

Email: _____

Name: _____

Email: _____

Name: _____

Email: _____

If you have more than three authors add their information in the comments section on the next page

Please indicate the journal to which you are submitting (select both if you are unsure):

ARGIA

Bulletin of American Odonatology

ARGIA Article Submissions *(skip this section if submitting to BAO):*

If you are interested in publishing your article in ARGIA, please indicate if there is a particular section in which you think your article should be included (select all that apply):

- | | |
|---|---|
| OdoNews | <i>Recent publications—research / journal articles, books, websites, field guides, etc.</i> |
| Eclosion | <i>Personal story of your relationship with Odonata. We will include artwork, literature, poems, cartoons, etc., from artists, photographers, educators, naturalists, etc</i> |
| Celebrating | <i>Contributions from BIPOC and LGBTQAI+ Ode-Lovers</i> |
| New Records | <i>New location records</i> |
| Guides | <i>How to guides – identification tips, collecting sites / methods, timing – anything that would be useful to other ode-lovers</i> |
| How I Fell into the Clutches of Odonata | <i>Recounting your personal stories of how / when / where / why you made your initial foray into the world of Odonata</i> |
| Corrections | <i>If you are submitting a correction to an earlier submission. Issue number: _____</i> |
| General | <i>Life history, conservation, ecology, or doesn't fit into any of the other</i> |
| Cover Shots | <i>Front or back cover photograph / artwork / image submissions</i> |
| Parting Shots | <i>Images with a short note including identification (common & scientific), location information, date photograph was taken, and the name of the photographer</i> |
| Caption Contest | <i>Image that would be a good choice for the caption contest</i> |
